## VITAMIN

01

Recently, Ningxia Jinwei Pharmaceutical Co., Ltd. announced that the price of Junyang green, non-toxic, low-impurity vitamin B12 raw materials produced by the company has been raised to USD3700/KG.

## AMINO ACID

02

Recently, Blackstone, Carlyle and MBK have joined the competition to acquire South Korea's CJ CheilJedang. Foreign media said that as one of the world's largest feed-grade amino acid producers, South Korea's CJ CheilJedang has occupied a huge share of the global market with its global production and sales network, and its market value is about USD4.3 billion.

## API

03

Recently, Tianfang Pharmaceutical Co., Ltd., a wholly-owned subsidiary of China Pharmaceutical and Healthcare Industry Co., Ltd., obtained the Drug Registration Certificate for Oseltamivir Phosphate Capsules approved and issued by the State Drug Administration. The drug is a capsule with a specification of 75mg, the registration acceptance number is CYHS2302571, and the certificate number is 2024S02969.

Oxytetracycline hydrochloride, the overall delivery of mainstream factories has been tight recently, and the price is firm. The current market price is USD11.9/KG. It is expected that the price will remain strong in the short term. We need to continue to pay attention to the factory production progress and market demand changes in the future.

## FOOD ADDITIVE

04

Affected by market demand, the price of food sweetener sucralose is currently stable in the domestic market at USD24-25/KG. In the short term, the price is expected to remain stable and we will continue to pay attention to market changes.
